

# Friends Of Andy-Bear

## Who are the Friends of Andy-Bear?

Friends of Andy-Bear are special friends of the Fit Kidz Foundation. They are people who have made contributions towards events, programs and resources, most importantly they are people that we would like to formally recognise.

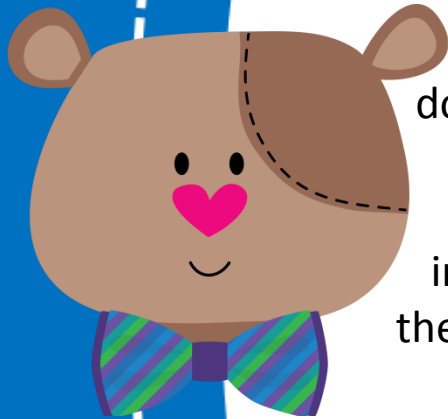

## Why should I be involved?

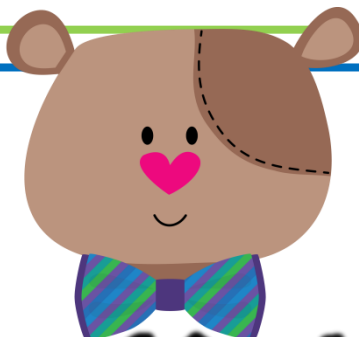

The Fit Kidz Foundation relies heavily on donations and support from our local community.

Without these monetary donations the Foundation would not be able to offer the individualised and specialised care it provides to the families of children with additional needs. Every donation we receive is put straight back into supporting the children within the centre by providing a specialised multidisciplinary team of therapists and educators and providing the important early intervention resources which benefit each and every child

## What do I need to do to be a Friend of Andy-Bear?

To become a Friend of Andy-Bear simply complete the form over the page to make a \$500 donation towards our Fit Kidz Foundation. Your donation will be recognised within the Foundation centre and your family will receive their very own, personalised, Andy-Bear.

# Become a friend today!

Thank you for choosing to become a Friend of Andy-Bear.

By making a \$500 donation to the Fit Kidz Foundation you will be helping to support the growth and development of little ones that have been diagnosed with Autism Spectrum Disorder or another developmental delay. You will be recognised within the Centre on our Friends of the Foundation wall and also within the community via our social media platforms.

We thank you once again for your continued support of

## The Fit Kidz Foundation
